SPECIAL COMMITTEE ON THE SITUATION WITH
REGARD TO THE IMPLEMENTATION OF THE
DECLARATION ON THE GRANTING OF
INDEPENDENCE TO COLONIAL COUNTRIES
AND PEOPLES

ORGANIZATION OF WORK

Note by the Chairman

1. Subsidiary bodies

1. Having regard to the expected workload of the Special Committee for the current session and in the light of past experience, it is suggested that the Special Committee maintain the Working Group as a steering committee, subject to any modification in its membership that it might deem appropriate.

2. It will be recalled that, at its 1380th meeting, on 24 May 1991, the Special Committee, on the recommendation of an open-ended Working Group established earlier to make suggestions on the rationalization of its work, decided to merge the Subcommittee on Small Territories and the Subcommittee on Petitions, Information and Assistance under the name of the Subcommittee on Small Territories, Petitions, Information and Assistance effective 1 January 1992. The Special Committee further decided that the composition of the bureau and the agenda of the new Subcommittee would be considered at its session in 1992.

2. Allocation of items and procedure for consideration

3. Annexed to the present note is a list of matters pending for consideration by the Special Committee during the year, together with an indication of the procedure that the Committee may wish to adopt. An indication is also given of the suggested allocation with regard to each item.

4. It is understood in that connection that, in their examination of the items allocated for their respective consideration, the Special Committee and its subsidiary bodies should take into account the resolutions and decisions adopted by the General Assembly at its forty-sixth session that are relevant to the work of the Committee, as listed in the note by the Secretary-General (A/AC.109/L.1774 and Add.1). It is also understood that they should continue to be guided by the relevant provisions of the Plan of Action for the Full Implementation of the Declaration, adopted on the occasion of the twentieth anniversary of the Declaration (resolution 35/118 of 11 December 1980, annex), the resolutions adopted by the Assembly on the occasion of the twenty-fifth and thirtieth anniversaries of the Declaration (resolutions 40/56 of 2 December 1985 and 45/33 of 20 November 1990, respectively), as well as the Plan of Action for the International Decade for the Eradication of Colonialism, adopted by the General Assembly in resolution 46/181 of 19 December 1991 on the basis of proposals contained in the annex to the report of the Secretary-General on the Decade (A/46/634/Rev.1 of 13 December 1991).

3. Order of priority for consideration of items

5. The Chairman will hold consultations with regard to the order of priority to be given for consideration of items in plenary meetings.

6. It is also his intention to hold consultations on specific activities envisaged under the Plan of Action for the International Decade for the Eradication of Colonialism.

7. In the meantime, subject to the availability of the working papers prepared by the Secretariat, it is suggested that the Subcommittee should commence its substantive work in accordance with the schedule of meetings as approved by the General Assembly at its forty-sixth session (A/46/23 (Part I), chap. I, para. 67).

4. Recommendations of the Special Committee to the General Assembly

8. In accordance with paragraph 31 of General Assembly decision 34/401 of 29 November 1979, and in the light of past experience, it is suggested that the Special Committee continue to follow the procedure adopted at its 1982 session, 1/ in connection with the formulation of its recommendations to the Assembly at its forty-seventh session.

5. Utilization of conference-servicing resources

9. At its forty-sixth session, the General Assembly decided to waive rules 67 and 108 of the rules of procedure of the Assembly in order to permit meetings to be declared open and debates to proceed without the presence of

the quorum required under those rules. The Assembly also decided that morning meetings should begin at 10 a.m.

10. As those measures have further enhanced the effective utilization of conference-servicing resources, it is suggested that the Special Committee and its subsidiary bodies continue to follow the same procedure. It should be understood that, in accordance with the rules cited, the presence of a majority of members would continue to be required for any decisions to be taken.

11. In the same context, the Subcommittee is kindly requested, as far as possible, to schedule meetings only when a sufficient number of speakers will ensure full utilization of the time allotted and also to minimize the wastage in conference resources resulting from the cancellation of scheduled meetings. The Subcommittee is requested to continue the practice of holding extensive consultations and informal meetings whenever possible, with a view to reducing the number of formal meetings to a minimum.
